This privacy policy describes how Saibastudio.com uses and protects any information that you give us. We are committed to ensuring that your privacy is protected. If you provide us with personal information through Saibastudio.com, you can be assured that it will only be used in accordance with this privacy statement.

Website Visitors

Like most website operators, Saibastudio.com collects non-personally-identifying information of the sort that web browsers and servers typically make available, such as the browser type, language preference, referring site, and the date and time of each visitor request. Saibastudio.com's purpose in collecting non-personally identifying information is to better understand how Saibastudio.com's visitors use its website. From time to time, Saibastudio.com may release non-personally-identifying information in the aggregate, e.g., by publishing a report on trends in the usage of its website.

Saibastudio.com also collects potentially personally-identifying information like Internet Protocol (IP) addresses. Saibastudio.com does not use IP addresses to identify its visitors, however, and does not disclose such information, other than under the same circumstances that it uses and discloses personally-identifying information, as described below.

Gathering of Personally-Identifying Information

In each case, Saibastudio.com collects such information only insofar as is necessary or appropriate to fulfill the purpose of the visitor's interaction with Saibastudio.com. Saibastudio.com does not disclose personally-identifying information other than as described below. And visitors can always refuse to supply personally-identifying information, with the caveat that it may prevent them from engaging in certain website-related activities, like asking for a quotation using our email.

All of the information that is collected on Saibastudio.com will be handled in accordance with GDPR legislation.
